

Notification/Packaging Requirements for Jewelry Vendors

We have recently discovered that some of the Parisian Jewelry Vendors were allowed by Parisian to ship their merchandise in masterpacks. Inside the masterpack the merchandise has been separated by store in **plastic bags** with a UCC128 label applied to the outside of the plastic bag for distribution.

This is not an approved Belk Procedure, please review the **Belk Best Plan (Pages 16 & 17)** available on the Belk Webpage www.belk.com, located under the Vendor Tab on the Belk Home Page and follow the current package requirements outlined.

If you have any additional questions, please contact Jon Richter, Transportation Supervisor for Belk at 803-754-6004 ext. 7681.

Thank you,
